

The Ringgold Wedding Chapel and **THE NEW ERA**

The Ringgold Wedding Chapel business was purchased by a new owner in June 2017. The Wedding Chapel is currently still very active and averages 50 weddings per month. The new owner is a young woman who seeks to take the chapel to new heights. With much hard work and forward-thinking the chapel has evolved with many renovations and repairs including the newly named reception hall Nancy Stephensons Reception and Event Center. The recent renovations managed to upgrade the chapel as well as keep the rich history the Ringgold Wedding Chapel is known for world-wide. The small town of Ringgold has a lot of heart. Let Ringgold, GA be your one-stop shop for all your wedding needs. When you come to visit us, you can receive your license, say “I do,” host a reception and most importantly create a lifetime memory.

All historical information in this guide is taken from plaques and displays located in Downtown Ringgold Georgia, Ringgold Courthouse, Ringgold Wedding Chapel, and First Baptist Church of Ringgold.
